RE: Compassionate Release  
Request under 3582

Case No: 7:08-CR-181-05 RAJ

Petitioner is writing Pro  
Se to this Honorable Court on  
June 16, 2020 Requesting Rule 3582  
Petitioner would ask that  
this request in letter form be  
construed as an official request  
by the courts as a request for  
Compassionate Release under  
Federal Rule 3582.

-Page One-

Petitioner admits that he has no knowledge of law, nor has he been trained on how to file the proper request in Motion's form. Therefore he also request that this honorable Court appoint him counsel to assist him for further proceedings if this court accepts this 3582 request.

Petitioner also believes that he has satisfied the court's requirement of exhaustion remedy.

Petitioner did send a request to the warden of Leavenworth via email on March 24, 2020 requesting that he be sent to home confinement amid the Covid-19 outbreak in the (BOP) Federal Bureau of Prisons. His request was never responded to by the warden. (see exhibit A)

Petitioner affirms that he meets all of the CDC's health issues that puts him at high-risk, that if he contracts the virus there would be a higher

possibility that he could suffer the worst case scenario "Death"

Petitioner suffers from several chronic health conditions, recently having to go through heart surgery. (SEE exhibit B)

Petitioner also has invaluable official record of the numerous chronic health conditions that could also leave him at high-risk of contracting Covid-19. (SEE exhibit C)

Petitioner Prays that this Honorable Court accepts his request and allow him to move forward under Rule 3582 Compassionate Release

Respectfully Submitted

Dear Sir,

The reason of my writing to you, is to humbly and respectfully request an early release.

I'm very scare and concern with the risk of being infected with the novel Corona virus.

Before experiencing my heart operation, I had two heart attacks.

I have a very serious medical condition, such as a double by pass open heart surgery, done in February 2018.

I have a severe heart condition, with multiple dysfunctional arteries, pertaining to my coronary disease.

High blood pressure, High cholesterol.

All this information you could find in my medical records.

I do thank you very much for your time in this very important matter to me.

Sincerely thankful,

Angel Pina de los Santos
